HBS SHOWROOM · FREETOWN

WELCOME

YOUR PARTNER FOR INDUSTRY

Welcome to the HBS Product Catalog 2027–2028. Explore our comprehensive range of industrial equipment, power solutions, tools and services tailored to your needs. Quality, reliability and excellence — all in one place.

OUR MISSION

To provide innovative, reliable and high-quality industrial solutions that drive progress and efficiency across various sectors — delivering excellence through top-tier equipment, expert services and long-term partnerships.

OUR VISION

To be the leading supplier of power solutions, heavy machinery, tools and industrial equipment in Sierra Leone, Guinea and beyond — ensuring businesses operate efficiently with trusted products and expert support.

WHY CHOOSE HBS?

01

30+ years of expertise

Serving businesses with quality and reliability for over three decades.

02

Comprehensive solutions

From generators and machinery to lubricants and safety equipment — one supplier for all industrial needs.

03

Trusted global brands

Authorised partner of leaders such as Perkins, King Tony, Liqui Moly and many more.

04

Unmatched support

Dedicated after-sales service, maintenance and consultation for your operational success.

HBS AT A GLANCE

BUILT TO KEEP INDUSTRY MOVING

30+
Years of industry experience

40+
Global partner brands

14
Product divisions

2
Countries · Sierra Leone & Guinea

SCOPE OF SERVICES

Comprehensive industrial, power and infrastructure solutions.

01 Power generation & maintenance

02 Heavy equipment, logistics & rental

03 Lubrication & fluid management

04 Tools & workshop solutions

05 Safety & industrial wear

06 Solar & renewable energy

07 Prefabricated & modular infrastructure

08 Portable sanitation & site facilities

01

DIVISION 01 · POWER

GENERATORS & POWER SOLUTIONS

Reliable power, anytime, anywhere. We deliver premium diesel generators from top global brands to power industries, businesses and homes — for prime power or backup — and keep them running with genuine spares, maintenance and rental.

1. **Diesel generators · 7 kVA – 2,500 kVA**
   Perkins, Cummins, Volvo Penta & Bison — open frame or silent canopy
2. **Mobile tower lights**
   Perkins, Volvo & Bison lighting towers for sites and events
3. **Spares, ATS & synchronising kits**
   DSE controllers, ABB switchgear, filters, cooling, fuel systems
4. **Maintenance & rental**
   Preventive servicing, 24/7 emergency repairs, load testing, short & long-term hire

2,500 kVA
Largest single-unit rating in our generator range

24/7
Emergency repair support to keep your power running

2 options
Open frame or silent, weatherproof canopy

Rent or buy
Short & long-term generator rental for business and events

Perkins · Cummins · Volvo Penta · Bison · Khonaysser Group · DEEP SEA DSE

SERVICE & RENTAL

01 — Preventive maintenance
Regular servicing to ensure optimal generator performance.

02 — Emergency repairs · 24/7
Round-the-clock support to keep your power running.

03 — Rental solutions
Short-term and long-term generator rentals for businesses and events.

04 — Load testing & diagnostics
Ensuring efficiency and reliability of power systems.

01 FEATURED RANGES

DIESEL GENERATORS

PRIME & STANDBY RATINGS

Perkins

PERKINS GENERATORS

9 kVA – 2,500 kVA

- Industrial-grade performance
- Fuel-efficient & durable
- For businesses, factories & large operations

PRIME	STANDBY
9 kVA	10 kVA
250 kVA	275 kVA
500 kVA	550 kVA
1,000 kVA	1,125 kVA
2,250 kVA	2,500 kVA

Optional canopy enclosure for sound & weatherproofing

BISON

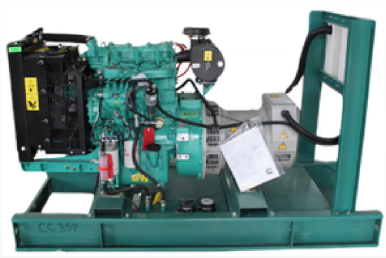
BISON GENERATORS

5.5 kW – 7.7 kW

- Compact & cost-effective
- For homes & small businesses
- Reliable backup power

PRIME	STANDBY
5.5 kW	6.0 kW
7.0 kW	7.5 kW
7.0 kW	7.7 kW

Available in open frame & silent options



Cummins

CUMMINS GENERATORS

9 kVA – 2,500 kVA

- Heavy-duty & long-lasting
- Advanced power technology
- Best for large-scale industries

RATED	MAX
25 kVA	27.5 kVA
250 kVA	275 kVA
500 kVA	550 kVA
1,000 kVA	1,100 kVA
2,000 kVA	2,500 kVA

Available in open frame & silent options

02

DIVISION 02 · SOLAR

SOLAR, TELECOM & ENERGY STORAGE

Empower your business or home with tailored solar systems designed for maximum efficiency and sustainability. From off-grid to hybrid setups, we offer complete power solutions backed by expert installation and support.

1. **Solar panels**
   High-efficiency modules from Jinko and LONGi
2. **Inverters & hybrid systems**
   Deye, Sungrow and Solis inverters for on-grid, off-grid and hybrid use
3. **Battery storage**
   Storage solutions for uninterrupted power
4. **Custom installations**
   Designed and installed for industrial & residential use
5. **Smart energy management**
   Monitoring and control of your energy use

GO SOLAR WITH CONFIDENCE

From system design to installation and after-sales support — call +232 88 000007/9

02

OFF-GRID & HYBRID POWER

TELECOM & MINING SOLUTIONS

Reliable power for telecom towers, mining sites and remote camps — generators, solar, battery storage and complete hybrid systems engineered to cut fuel costs and keep critical sites running 24/7.

GENERATORS

Prime & standby diesel gensets, 7–2,500 kVA, with remote monitoring.

SOLAR

Jinko & LONGi panels with Deye, Sungrow and Solis hybrid inverters.

BATTERIES

Lithium storage that cuts generator run-hours and fuel use.

DEEP SEA® DSE

SYSTEMS

DSE controllers, ATS, ABB switchgear — designed, installed and serviced.

FOR TELECOM OPERATORS

- ✓ Hybrid generator + solar + battery BTS power
- ✓ Remote monitoring and fuel-saving controllers
- ✓ Preventive maintenance contracts for tower sites

FOR MINING & REMOTE CAMPS

- ✓ Prime-power gensets up to 2,500 kVA
- ✓ Fuel tanks, lighting towers & compressors
- ✓ Lubricants, filters & on-site service

POWER YOUR REMOTE SITES WITH HBS

Tell us your site load and location — we design the right hybrid system. Call +232 88 000007/9

03

DIVISION 03 · PARTS

ENGINE PARTS & MAINTENANCE

We have everything you need to keep your diesel engine running efficiently — from air systems and filtration to fuel systems, gaskets and replacement blocks. Thousands of parts in stock, ready for next-day delivery.

VOLVO PENTA INDUSTRIAL ENGINES & PARTS

Volvo Penta diesel engines for generators and industrial applications — with genuine and remanufactured engines and parts.

GENUINE PARTS. NEXT-DAY DELIVERY.

Send us your engine model or part number and our parts desk will confirm availability the same day.

04

DIVISION 04 · ELECTRICAL

ELECTRICAL CONTROL & DISTRIBUTION

Control every connection. Electrical control and distribution equipment from the world's leading manufacturers — protecting your people, your machines and your power supply.

1. **Circuit breakers & protection**
   ABB circuit breakers and protection devices
2. **Electric motors**
   Industrial motors for pumps, fans and machinery
3. **Distribution boards & switchgear**
   Panels and components for industrial sites
4. **ATS & synchronising panels**
   Automatic transfer and paralleling for generators
5. **Generator controllers**
   Deep Sea Electronics (DSE) control modules

PROTECT YOUR POWER SYSTEM

Switchgear, ATS panels and controllers specified and supplied for your generator and site.

05

DIVISION 05 · LUBRICANTS

OILS, LUBRICANTS & LUBRICATION

Performance in every drop. Premium German engineering from Liqui Moly and high-performance synthetic lubricants from Motul — for cars, trucks, generators and industrial machinery.

LIQUI MOLY | MOTUL | MECLUBE MADE IN ITALY

1. **Motor oils**
   Passenger car, commercial vehicle & heavy-duty
2. **Additives**
   Engine, fuel & system treatments
3. **Hydraulic, gear & industrial oils**
   For machinery and equipment
4. **Greases & car care**
   Workshop and maintenance products

COMPRESSORS, PRESSURE WASHERS & CLEANING

KAESER AIR COMPRESSORS

Your partner for efficient compressed-air systems — portable diesel compressors and stationary units that save energy with reliable technology.

KÄRCHER CLEANING EQUIPMENT

Professional cleaning solutions for industrial environments — pressure washers, vacuum cleaners and scrubber driers.

BISON PRESSURE WASHERS

Hot-water, commercial, portable and trailer types — with options for pressure (4,000, 5,000, 6,000 psi) and start mode (electric start, remote start).

13

DIVISION 13 · SUPPLY & INSTALL

OFFICE FURNITURE

Complete office furnishing solutions — quality, functionality and modern design for every workspace. We supply and install furniture for offices, conference rooms, reception areas and commercial workspaces.

1. **Executive & director desks**
   Premium L-shape and straight executive desks
2. **Staff workstations**
   Open-plan and pod workstations for teams of any size
3. **Meeting & conference tables**
   Oval, rectangular and modular boardroom tables
4. **Office chairs**
   Ergonomic mesh, leather executive and task chairs
5. **Reception furniture**
   Reception desks, waiting sofas and feature pieces
6. **Filing cabinets & cupboards**
   Steel and wood filing, storage cupboards and credenzas
7. **Lockers & shelving**
   Staff lockers, open shelving and modular wall storage
8. **IT room furniture**
   Server racks, cable-management desks and workbenches
9. **Custom storage solutions**
   Bespoke built-in storage, display units and partitions

PLANNING A NEW OFFICE?

Tell us your floor plan and team size — we design, supply and install the complete fit-out.

14

DIVISION 14 · AUTOMOTIVE

VEHICLES & FLEET SOLUTIONS

Personal and business mobility — SUVs, pick-ups and commercial buses from the world's most trusted vehicle brands, for private owners and company fleets alike.

SUVS & 4X4

Toyota Land Cruiser & Prado · Kia Sorento & Sportage — built for every road in Sierra Leone and Guinea.

PICK-UPS

Mitsubishi L200 / Triton and Toyota Hilux for work, sites and logistics.

COMMERCIAL BUSES

Full-size coaches, Toyota Coaster and Toyota Hiace for staff transport, schools and operators.

01 **Personal vehicles**
SUVs and pick-ups for families and professionals.

02 **Business fleets**
Multi-vehicle supply for companies and organisations.

03 **Commercial transport**
Buses and utility vehicles for passengers and goods.

04 **Keep them running**
Lubricants, filters and workshop tools from our other divisions.

BUILD YOUR FLEET WITH HBS

Tell us the vehicles and quantities you need — our team will prepare a tailored offer.

14

DIVISION 14 · KIA

KIA AUTOMOTIVE SOLUTIONS

From a single vehicle to a full corporate fleet — Kia sales, after-sales service and genuine spare parts, all from one trusted local partner.

SORENTO | SPORTAGE | SELTOS | PICANTO | K2700

01

Corporate fleet

Fleet supply for companies, NGOs and government — volume pricing, registration and delivery.

02

Automotive solutions

New Kia SUVs, cars and pick-ups for private and business customers.

03

Service centre

Scheduled maintenance, diagnostics and repairs by trained technicians.

04

Genuine spare parts

Kia Genuine Parts in stock — filters, brakes, oils and more.

TALK TO OUR KIA FLEET TEAM

Tell us the models and quantities you need — we prepare a tailored fleet and service offer.

HOW TO ORDER

FROM QUOTE TO DELIVERY IN FOUR SIMPLE STEPS.

1

CHOOSE

Browse this catalog or hbs-africa.com and note the products, brands and quantities you need.

2

REQUEST A QUOTE

Call, email or message us — or request a quote on our website. Our team replies with prices and availability.

3

CONFIRM

Approve the quotation and agree payment, delivery and any installation or training required.

4

DELIVERY & SUPPORT

We deliver, install and commission — then stay with you for maintenance, spare parts and after-sales service.

WHY ORDER FROM HBS

- ✓ Genuine products from authorised brands
- ✓ Sale, rental and operation
- ✓ Installation and commissioning
- ✓ Maintenance and 24/7 emergency support
- ✓ Spare parts and consumables in stock
- ✓ Teams in Sierra Leone and Guinea
