

10 January 2024
KHONAYSSER GROUP
Nahr El Mott – Khonaysser Building
Beirut, Lebanon

TO WHOM IT MAY CONCERN

**ANNUAL CERTIFICATION OF KHONAYSSER GROUP* (“KHONAYSSER”) AS AN AUTHORISED
GOEM OF CUMMINS POWER GENERATION**

Cummins supplies KHONAYSSER with G-Drive engines/ Coolpacs rated from 20kVA to 3000kVA PRP under a three (3) year supply agreement dated 24th May 2021. Under this supply agreement, KHONAYSSER has been appointed as an authorised GOEM of Cummins.

Cummins and KHONAYSSER are working to ensure that Cummins G-Drive engines/ Coolpacs are successfully integrated into KHONAYSSER’S generator sets. Prior to the release of a new model by KHONAYSSER, Cummins application engineers endeavour to perform **full Installation Quality Audits (“IQA”) where possible** to ensure that the products are of a consistently high standard.

Subject to the **IQA** completely performed, Cummins distribution network will support all genuine Cummins G-Drive engines/Coolpacs used in KHONAYSSER’S generators on a global basis and all warrantable work on these G-Drive engines/Coolpacs must be performed by an authorized Cummins distributor or dealer.

This letter is valid until December 31st, 2024.

*Khonaysser Group consisting of Khonaysser Power SAL, Khonaysser Motors Qatar WLL, Khonaysser Power FZE and Khonaysser Power KSA

Yours faithfully

Sbu Gule
